

Hi!

You don't know me but I've just paid for your order. No gimmicks - it's just something I felt like doing. I heard about people doing things for others on radio station KCFY 88.1 on the dial. They call it "the drive-thru difference". Maybe you'll feel like doing it for someone else!

I hear that KCFY loves to share the stories on the air! Their phone number is 928-317-8810.

I hope this encourages you today!
